

# APPLICATION TO THE KIKUCHI MUSIC INSTITUTE

## *Young Artist Program 2007-08*

The KMI Young Artist Program is an 8-year rigorous curriculum that prepares serious young musicians for a professional career in either **piano, voice or composition**, namely audition to the nation's finest music schools. All students who are serious about music and who qualify are welcome. The intent to audition for music school at the college level is **not** a requirement for participation. Entrance into the Young Artist Program is based on application and audition. Minimum age to apply is 10 or 5<sup>th</sup> Grade and maximum age is 15 or 10<sup>th</sup> Grade. The audition includes a written exam, demonstration of basic technique, performance of repertoire pieces and testing for ear training. Students may enter at any level, providing they are in the correct age range for the level and have met the requirements for the previous level. The academic year begins in September, and the **deadline for application is July 31**. The student will be contacted for audition upon receipt of the completed application and fee. Auditions are held throughout the month of August based on scheduling availability. If accepted into the program, the faculty will place the student at the most appropriate level as demonstrated by the audition. Students not accepted into the program are encouraged to enroll as "Music Appreciation" students, and may reapply in the following year. **Application fee: \$25 (Check made payable to "Kikuchi Music Institute")**.
